Seen & Heard Around MURRAY

Fellow said his doctor was so expensive he just went to Europe on what he paid him for a flu shot.

Old politicians never die — they just steal away.

Marriage is like a new girdle — makes you shape up in a hurry, but it's hard to get out when it starts to hurt.

Fellow says these days we're doing twice as much clerical work as we used to do. We don't know any more than we did, but now we're getting it on paper.

The third oldest left yesterday morning at 3:00 o'clock to begin his Marine training at Parris.

(Continued On Page Three)

Board Of Education Gets Grant

The Murray Board of Education has received a grant of \$24,024 for a Head Start school project, according to an announcement from the office of Rep. Frank A. Stubblefield in Washington.

The grant was one of a group received by the Purchase Area Economic Opportunity Council totaling \$206,088. Of the total grants \$154,044 were for the purchase of previously approved funds, the Office of Economic Opportunity said.

Murray's Head Start grant, one for \$69,880 for the Paducah-McCracken Child Development Center, and one for \$132,546 for Paducah Independent Schools are expected to finance full-year programs for about 280 pre-school children.

Other allocations are \$104,290 for administration of the four programs, and \$15,946 for the Paducah-McCracken Small Business Center's operations for four months.

Water District Number Two Meeting Called Next Week

There will be a meeting of all persons interested in the Murray No. 2 Water District to be held in the Circuit Courtroom of the Calloway County Court House on Thursday, March 16, at seven p.m. The consulting engineers for the district, as well as representatives of the Health Department and Commissioners of the District, will be present for the purpose of explaining the status of the water distribution system which is proposed to be built in the district and to provide information regarding requirements which must be met in order to construct the water system.

The area which is proposed to be served by the water system runs from Clark River eastward along Kentucky State Highway

65 Report To Coach Holland For Practice

Sixty-five boys have reported for spring football practice at Murray High School and workouts will start as soon as the weather permits. Although seven starters are gone from the 1966 team, there are several boys back with a lot of good experience.

Boys with experience reporting included Jerry Knight, Dan Terhune, Bill Smith, Bill Heise, ends; James Armbruster, Charles Clark, Danny Nall, Larry Hudson, Broxton-Williams, Jim Bryant and Bob Taylor, tackle; David Wall, Deane Bell, Ronnie Goode, Steve Knight guards; Nicky Johnson and Mike Smith centers; Don Shelton, James Bland, John Mark Hale, Terry Hart, Steve Geurin, Dana Osh, Steve Britton, Bob Stubblefield and Tom Jeffrey, backs. There are also a lot of good boys up from the freshmen team.

The coaches hope to get in at least fifteen good practice sessions and will practice with the regular spring inter-squad game. Co-captains this coming season will be Mickey Johnson and David Wall.

106 Women Are Tested Tuesday

In the first of the four series of tests for uterine cancer of the cervix being held in the Calloway County Health Center 106 women were given the test Tuesday night. The snowy weather caused the cancellation of 12 appointments. Reservations may be made by calling 753-6535.

These tests are being given each Tuesday night from 7:00 to 8:00 o'clock in March, and is being sponsored by the Health Department, the State Department, the local Medical Association and the Murray Woman's Club through its Delta Department. This is the third clinic these organizations

Glenn Wooden Injured In St. Louis Accident

Glenn Wooden

Glenn Wooden, owner of the Family Shoe Store here in Murray, is reported to be seriously, but not critically injured in St. Louis. Reports indicate that his automobile was struck from behind by another car.

Wooden received a dislocated shoulder and other injuries. He is at the Deaconess Hospital in St. Louis at this time and will be removed to Murray as soon as his condition permits.

Shower For Couple Who Lost Home By Fire Is Planned

Mr. and Mrs. John Baker and their son, Kerry, will be honored with a household shower at the home of Mr. and Mrs. Sherwood Potts on Tuesday, March 14, from 7:30 to 9:30 p.m.

The Baker home located at Coldwater was destroyed by fire on Monday morning. No one was home at the time and all the contents were consumed in the flames.

Mr. Baker is a mechanic at Shor's Auto Repair and Mrs. Baker is a lunchroom cook at the Kirksey Elementary School where Kerry is a seventh grade student.

Persons who will be unable to attend the shower on Tuesday night may leave their gifts at the Kirksey School at Brock's Store at Coldwater, or at Baker's Store or Stodd's Store at Stella.

McPherson Is Named To State All Star Team

LOUISVILLE, Ky., March 8, 1967 —Murray State University's Herb McPherson is among the eleven men selected for the Kentucky College All-Stars basketball team. Honored with him are Joe Linder and Dave Gilbert of the Missouri Valley Conference-champion University of Louisville quintet, SEC All-Star Pat Riley and Lou Dampier of University of Kentucky, Western State University's Clem Hawkins and Dwight Smith, Kentucky Wesleyan's Roger Cordell and Sam Smith, Dick Clark of Eastern State University, and Jim Chaurman of Bellarmine College.

Adolph Rupp, veteran U of K basketball coach, has been chosen to coach the All-Stars.

The pick was released today by Vernon Goozer, team coordinator for Sermona Charities, Selection was made with the assistance of Kentucky coaches, sports writers and commentators.

The Kentucky College All-Stars are slated to clash with the Indiana College All-Stars on Saturday, April 8 at Freedom Hall, Louisville. The game, an annual event for the benefit of handicapped and retarded children, is sponsored by Sermona Charities, and activity of the Sermona civic club of Kentucky and Indiana. A return game is scheduled for the following Saturday evening in Hinkle Field House, Indianapolis. Both games have gained NCAA sanction.

Atomic Energy Commission Awards Grant

The Atomic Energy Commission has awarded \$17,804 to the physics department at Murray State University for the purchase of materials needed to construct a subcritical nuclear reactor.

AEC will also loan the department 1.65 tons of natural uranium needed for the reactor. Uranium is a commodity which cannot be purchased on the open market, according to Dr. William Read, chairman of the MSU physics department.

The grant money will be used to purchase and fabricate nuclear grade graphite, Dr. Read said.

The reactor will be designed and built by the MSU physics faculty and will be only the third such facility in the state. Others are at the University of Kentucky and the University of Louisville.

According to Dr. Read, a subcritical reactor is a mock-up of a critical reactor. A reactor is used for the conversion of nuclear energy into another form such as electrical or thermal energy.

Dr. Read said courses to utilize the installation would be offered after completion of a science building now under construction.

Dr. Read credited two other physics professors, Dr. Lynn Bridwell and Buford Anderson, with principal roles in acquiring the facility for Murray State.

Local Burley Growers OK Proposal

Calloway County burley tobacco growers voted 305 to 244 in favor of the proposed burley tobacco acreage-pounding control program, according to Lowell Palmer, office manager of the local Agricultural Stabilization and Conservation committee.

Palmer said there were 850 known eligible voters in Calloway County. There were 669 ballots mailed to the office, but 20 of them were declared ineligible due to not being signed, Palmer said. The vote was 56.9 in favor of the measure.

The overall Kentucky vote with 99 counties complete is 74,869 favoring the acreage poundage with 130,560 against or 74.6 percent approval.

Tennesses 49,293 had voted against the measure with 10,090 voting for the measure in the incomplete returns for that state.

With the returns so far it is apparent that the burley tobacco growers have rejected the measure as a two-thirds majority is needed for passage.

A vote on the program which limits the number of acres a farmer can plant and the number of pounds he can sell, was set by the U.S. Department of Agriculture. Growers rejected the program last year with most of the opposition coming from Tennessee.

Under acreage poundage, the national marketing quota for 1967 would be 610 million pounds on a nationwide basis or about 2,300 pounds per acre. It defeated the allotments this year would be 250,133 acres with no over-all limitations on sales beyond the total amount grown on the allotted acres.

Ten Calloway Students Do Well In Meet

Ten Calloway County speech students competed in the speech meet held recently at Grove High School, Paris, Tenn.

Contestants, divisions, and ratings were as follows:

Gail Smith, extemporaneous speaking, three superiors, one excellent; Celia Taylor, humoristic interpretation, two superiors, one excellent; Aileen Palmer, speech analysis, two superiors, one excellent, one good; Kathy Harris, oratorical declamation, three superiors, one good; Susan Williams, storytelling, two superiors, two excellent; Mac Adams, discussion, three superiors; Mike Wilkerson, discussion, two superiors, one excellent.

Two mothers, Mrs. Hilton Williams and Mrs. Douglas Shoemaker, transported the students to the Paris meet.

Calloway speech students work under the direction of Mrs. Buren Jeffrey, speech teacher. Debate and discussion events are supervised by Larry Dunn, Art and English instructor.

Rev. Paul Dailey Takes Marshall Post

Rev. Paul Dailey of Hazel, prominent Baptist minister, who has recently retired from active preaching, has accepted an interim pastorate at Zion's Cause Baptist Church in Marshall County and filled the pulpit for the first time last Sunday.

Bro. Dailey was pastor of the First Baptist Church in Benton for several years and was called to a church in Michigan.

Following his retirement from the church in Michigan he made a trip to the Holy Land. He and Mrs. Dailey are at home in Hazel.

Heaviest Casualty Rate Of War Suffered Last Week By U. S. Troops

Bill Bruce Elkins Said Satisfactory

Bill Bruce Elkins is listed in satisfactory condition by officials at the Murray-Calloway County Hospital this morning.

Elkins was injured Friday when his 1966 Ford entered the curve at the south edge of Hazel traveling at a high rate of speed, "switched ends twice", and ended up with a head-on collision with a tree about 18 inches in diameter, according to Deputy Billy Smith of Hazel who reported he witnessed the collision.

The injured man was brought to the hospital by a Cy Miller ambulance and was listed in critical condition last Saturday, but is now in satisfactory condition, according to the hospital.

Accident Victim To Be Buried Friday; Funeral At 3:00 p.m.

The funeral for George Rex Hopkins, nineteen year old son of Mr. and Mrs. George (Dude) Hopkins of Dexter, who was fatally injured in an automobile accident late Tuesday, will be held Friday at three p.m. at the Dexter Methodist Church.

The young man, along with his brother, Terry Eugene Hopkins, age 17, were injured in the accident on Highway 661 south of Hazel on Tuesday shortly after three p.m. Both men were taken to Veterans Hospital, Nashville, Tenn., where he died on Tuesday at 7:30 p.m.

Terry was transferred to the Western Baptist Hospital, Paducah, and is listed today in satisfactory condition.

Rev. Coy Garrett and Rev. John W. Penny will officiate at the funeral services and burial will be in the Stewart Cemetery.

Active pallbearers will be L. A. Travis, Ronald Reams, Danny Hopkins, Barry Jones, Eldon Phillips, and Steve Mitchell. Honorary pallbearers will be Billy Travis, Bobby Duncan, Dwayne Redden, Glen Young, Paul Smith, and Eddie Ramsey.

Friends may call at the Filbeck-Cann Funeral Home, Benton, until 12:30 p.m. on Friday when the body will be taken to the church to lie in state until the funeral hour.

Murray Men Inducted Into Armed Forces

Two Calloway County men were inducted into the United States Army the March 6th draft call, according to Mrs. Gusie Adams, chief clerk of Local Board No. 19 of the Selective Service.

The young men were Robert Cummins Darnall, son of Mr. and Mrs. Josiah Darnall of Murray, and Dale Mason Garland, son of Mr. and Mrs. Floyd Garland of Murray Route Two.

Darnall and Garland left Murray by bus for Nashville, Tenn., where they were sworn into the Army and then transferred to Fort Benning, Ga., for basic training.

Mrs. Adams said no registrants were sent for physical examinations in the March draft call.

FREE CAT

Mrs. Homer Williams has a beautiful white male cat to give away. Anyone may have it free by calling 763-1331.

232 Americans Die In Viet Nam As 1,381 Are Injured

By BRYCE MILLER
United Press International

SAIGON 6/9 — U.S. troops suffered their heaviest casualties of the war last week — 1,381 killed, wounded or missing. As the report was issued a Communist suicide squad using mines and anti-dynamite charges inflicted heavy casualties today on a U.S. Army platoon.

A U.S. military spokesman said the week of battle in the biggest ground operation of the war killed 232 Americans, wounded 1,381 and left 4 missing. Communist losses during the same week were 1,739 dead, a drop of 713 from the reds record loss of 2,449 the week before.

The previous high number of American casualties was the week ending Jan. 14 when there were 1,194 killed, wounded or missing. That resulted from Operation Cedar Falls, the first American division-sized offensive of the war. The current high American losses reflected Allied drives into some of the toughest Communist strongholds in South Vietnam — savage fighting by Marines just south of the Demilitarized Zone DMZ and Operation Junction City near the Cambodian border, the biggest push of the year.

Troop Strength Drops
The brightest part of the picture was the spokesman's report that Communist troop strength in South Vietnam dropped by about 2,000 during the week to 282,000 while American strength increased by 4,000 to a new all time high of 416,000 men.

The Communists also lost on another front — 1,168 defected during the week to the government. (Continued On Page Three)

Dr. Will Frank Steely Leaves Murray State To Take Position

Dr. Will Frank Steely, chairman of the history department of Murray State University, has resigned his position to take a position as Academic Dean of Clinch Valley College of the University of Virginia, effective July 1, 1967.

The College is located in the town of Wise, Virginia, in a county bordering the state of Kentucky. Dr. Steely said he and

his family regretted leaving Murray and Murray State University, but said they felt that this was an opportunity, which professionally, he could not turn down.

Dr. Steely, a native of Hazel, came to Murray State in 1956 where he is currently chairman. (Continued On Page Three)

Graves Lampkins Named To Council

Graves Lampkins of Benton, son of Mr. and Mrs. Dewey Lampkins, Sr. of Murray, has been elected for a one-year term to serve as one of the members of the Memphis Zone Dealer Council for the year of 1967.

Lampkins was elected to serve on the council by dealers in the Zone, which is represented by Buick dealers in Memphis, Tennessee, Western Kentucky, and a portion of Eastern Missouri.

The purpose of the council is to work toward improving customer public relations, factory to dealer relations, while representing each dealer.

C. T. Winslow, Jr., Observes Anniversary

Claude T. Winslow Jr., of Mayfield recently observed his 30th anniversary with the Connecticut Mutual Life Insurance Co.

He is associated with the Charles J. Schottz agency in Louisville, and represents the company in Murray, Mayfield and Fulton.

Mr. Winslow attended Murray State College and Northwestern University. He joined Connecticut Mutual in 1937.

He has been an active member of the Western Kentucky Life Underwriters Association, of which he is a past president and a past national committeeman. He also has been a consistent winner of company and industry awards for excellence in sales and service to policyholders.

Kindergarten Planned By Church Here

In significant action Wednesday night, Memorial Baptist Church voted to establish a Kindergarten for five year old children to begin in August of this year, with the fall session of school.

A Kindergarten Committee composed of Coffield Vance, Chairman, Mrs. Claude Miller and Mrs. Bobby Herring made a study of the need and feasibility of an additional Kindergarten in Murray. The reality of the need and encouragement for the program were received from the Superintendent of Schools and others.

The school will be established in compliance with regulations of the State of Kentucky administered by the Department of Education.

Registration for the fall term will be in April. The exact date of "registration" will be announced.

Roy Weatherly To Head Fund Drive

Roy Weatherly, a member of the faculty at Benton High School, and a former Murrayan, and Jerry Benneff of the Filbeck-Cann Funeral Home in Benton, will direct the annual Red Cross Fund Drive in Marshall County during the month of March.

Weatherly, son of Mrs. Lucille Weatherly of Murray, is married to the former Louise Jones, daughter of Mr. and Mrs. Clayborne Jones, also of Murray.

Quotes From The News

By UNITED PRESS INTERNATIONAL

TALKEETNA, Alaska — One of three mountain climbers, the first to reach the top of Mt. McKinley, North America's highest peak, in mid-winter: "Pass the word along that we made the summit on the first of March at 7 p.m."

MONTGOMERY, Ala. — State Rep. Alonzo Shumate objecting to evolution being taught in state schools as a fact, rather than as a theory: "We can't teach the Bible and we can't have prayers in the schools. These Darwin books teach that we came from jelly on the bottom of the ocean I don't want any of them taught here."

NEW YORK — Novelist Mitchell Goodman, one of about 100 guests who walked out on Vice President Hubert H. Humphrey at the prestigious National Book Award ceremonies in protest to the war in Vietnam: "Mr. Hubert Humphrey, we are burning children alive in Vietnam. You are responsible. We are all responsible..."

LONDON — C. H. Gibbs-Smith, an official of the Victoria and Albert Museum, when a false burglar alarm momentarily sealed Queen Elizabeth II and Soviet Ambassador Mikhail Shchepetov in the museum: "These little things happen."

A Bible Thought For Today

But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, stablish, strengthen, settle you.

—1 Peter 5:10.

Ten Years Ago Today

LEDGER & TIMES FILE

James T. Cook, son of Mr. and Mrs. Wayne Cook of Murray, completed recruit training March 8 at the Marine Corps Recruit Depot, Parris Island, S.C.

Two vocal quartets will be featured in the 1957 edition of Down South by the Murray Training School. The Orchestra Girls' Quartet is composed of Carolyn Wood, Evelyn Oglesby, Benita Maddox, and Anita McDougal. The Orchestra Boys' Quartet is composed of John Darnall, Ronnie Maubray, Michael McCassey, and Ralph Oliver.

The Calloway County School Board has been invited to attend the annual meeting of the Kentucky School Boards Association in Louisville March 13.

Clarice Rohwedder, Peggy Outland, Glen Brewer, Mitt Miller, and Don Buxton students at Murray High School, presented the program, "Youth on Parade," at the meeting of the Murray PTA. Bill Parks gave the devotion.

14TH ANNIVERSARY of establishment of the U.S. Information Agency will be celebrated with issuance of this Voice of America 5-center Aug. 1 in Washington.

PRAY FOR MOFFA

DETROIT — When Teamsters Union President James Hoffa surrendered to federal authorities Tuesday to begin an eight-year prison term, 400 of his union members and friends knelt in prayer at a mass here.

Truck drivers, union leaders, office help from union headquarters, and a State Senator took part in the two-hour service at Mt. St. Trinity Church before adjourning for a breakfast meeting.

POLITICAL BLOW

ATLANTA — The Georgia House dealt Gov. Lester Maddox a smashing political defeat Tuesday by overwhelmingly passing a local option sales tax bill. The measure appeared certain of passage in the Senate, but Maddox still may veto it.

The Rest of News

The Almanac

by United Press International
Today is Thursday, March 9, the 69th day of 1967 with 297 to follow.

The moon is between its last quarter and new stage.
The morning star is Mars.
The evening stars are Venus and Jupiter.

Italian navigator Amerigo Vesputi, after whom America was named, was born on this day in 1451.

On this day in history:
In 1832, Abraham Lincoln ran for his first political office — the Illinois legislature — and lost.

In 1862, the warships Monitor and Merrimack battled four hours off Hampton Roads, Va. The North's Monitor claimed a moral victory when the Merrimack retreated to Norfolk.

In 1947, one of the longest strikes in American history ended after 440 days when the United Automobile Workers came to terms with the Case Manufacturing Co. in Racine, Wis.

A thought for the day — American naturalist John Burroughs once said: "It is easier to believe than to deny. Our minds are naturally affirmative."

Hospital Report

Visiting Hours: 2:30 p.m. to 4:00 p.m. and 7:30 p.m. to 8:30 p.m. Visitors are urged to strictly observe these visiting hours and when they do visit to make their stays brief. Patients must have quiet in order to get well and doctors and nurses must have the time to administer proper treatment in privacy.

SAFETY MEASURES

WASHINGTON — The Food and Drug Administration wants new precautions to be taken in the bottling and labeling of aspirin to help prevent accidental poisoning.

The proposals, published in the federal register, would limit children's aspirin to 36 tablets a bottle, with each tablet containing only 1/4 grain; prohibit flavoring five-grain adult tablets, though children's could be flavored, and require a warning against overdose on each bottle.

Plant Bed Should Be Located Well And Have Good Drainage

By W. R. HOOVER,

Area Extension Agent
PLANT BED — This should be located on well drained, fertile soil free from shade. If possible, locate near water supply where water can be added if needed. It is desirable to break the soil about two weeks before treatment for weed control. The bed should be located where water will not run across it. Seeding should be done in late February or early March using two level teaspoons of clean and tested seed for 100 square yards. The recommended fertilizer is 25 to 30 pounds of 4-16-4 or 4-12-8 per 100 square yards. On a trial basis it is recommended that a grower prepare a seed bed of 25 square yards, seed and spray using a knapsack sprayer one ounce of endosulfan 50W in a gallon of water. Then it is desirable to sprinkle the bed from a hose using about one-half inch of water.

The most common disease in the plant bed is anthracnose. A new chemical called polyram sprayed on at the rate of one ounce in two gal-

lons of water for 100 yards is considered the best treatment. The most troublesome insect on the plant is the flea beetle and is best controlled with DDT 10% dust or 50% wettable powder.

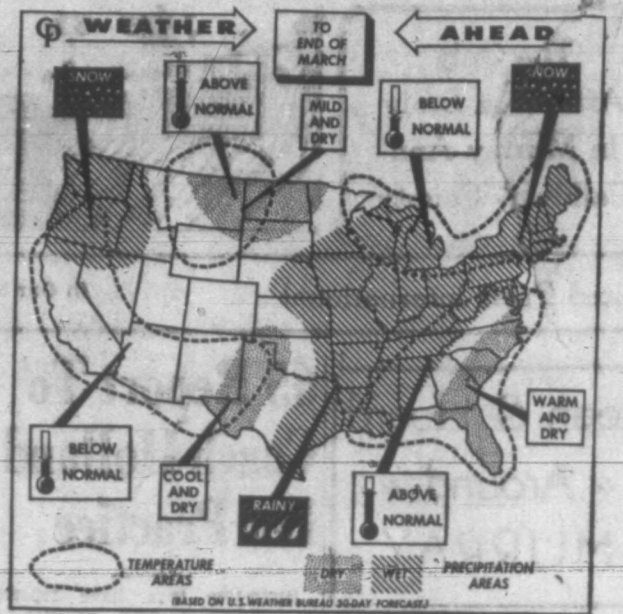

VARIETIES — Black root rot has been increasing in the Purchase Region to the extent of causing some complete failures. Some crops, however, were stunted early in the growing season, but later grew out of it. Farmers who had this disease last year and are going back to the same field with dark-furred tobacco this year, are advised to use Ky. 170 which is mosaic, black root rot and wildlife resistant.

Several farmers report that this variety does not cure as well as they would like but that it stood up well, free from disease and produced good yields. For one-sucker growers there is a root rot resistant variety 163, but it seems to be much less desirable than Ky. 160. It would be advisable to move the location of one-sucker tobacco, if possible, where root rot was a problem last year and continue to grow the Ky. 160.

The most popular burley varieties are Ky. 10, 12 and 21. Where fumigum wilt is a problem, Ky. 12 is probably the best selection. If hybrid is desired, the cross of 10 and 21 or 12 and 21 should be satisfactory. Our Extension pamphlet on tobacco varieties is free on request.

Tobacco Fields — The Experiment Station is recommending endosulfan 50W on tobacco fields for grass and some broad leaf weed control at the rate of four pounds per acre in 25 to 30 gallons of water banded over the row.

The tobacco fields should be fertile, well drained land where no straddle weed killer has been used during the past two seasons. Tobacco stalks or trash should be scattered on pasture fields that will not be used for tobacco at least for several years and not on tobacco land. Soil testing is recommended for tobacco setting time.

DEAR DEER

DES MOINES, Iowa — Debate over a bill to require deer hunters to wear bright orange clothing erupted into laughter and confusion in the Iowa senate Friday. One senator suggested the bill be amended to require deer to wear the bright orange clothing instead of hunters. Another offered an amendment to that amendment to change the word "deer" to "deer."

The original proposal passed, intact, 55-0.

National FFA Week is scheduled in February to honor George Washington, who was not only a great leader, but was also an outstanding farmer.

proper lime and fertilizer application. Mature used tobacco fields should not exceed ten or twelve tons per acre and applied in late March or early April and plowed under. Cover crops should be turned under when not over knee high and preferably three or four weeks before tobacco setting time.

State Not To Go On DST, Breathitt

FRANKFORT — Kentucky won't go on Daylight Saving Time this year, Gov. Edward T. Breathitt's office announced Wednesday.

A spokesman said that the U.S. Transportation Department, under whose jurisdiction the new federal law requiring Daylight Saving Time falls, told Breathitt's office the act wouldn't be enforced until each state had an opportunity to take action.

The General Assembly doesn't meet again until 1968. The law becomes effective April 1.

Breathitt's office said a more detailed announcement would come later from Transportation Secretary Alan Boyd.

In Washington, meantime, a House commerce subcommittee plans a hearing next Monday on seven bills to give the Kentucky Legislature additional time to exempt the state from the fast time law.

No action is scheduled then on a series of other Daylight Saving Time bills, committee sources said.

All of the Kentucky House members introduced bills after Gov. Edward T. Breathitt refused to call a special session of the legislature to consider action.

There has been no session of the Kentucky Legislature since the law was passed last year, and none is scheduled until 1968.

Aides of the House Commerce Committee emphasized Monday's hearing by the subcommittee on commerce and finance, headed by Rep. John E. Moss, D-Clark, will be limited to the Kentucky bills.

Earlier the Congressional Record indicated, and committee sources confirmed, that the hearing would deal with all 18 bills that have been introduced to revise the time law.

Of the other bills, five would limit the Daylight Saving Time period to the time from Memorial Day to Labor Day and five others would deal with the 12 states in more than one time zone. Another applies specifically to El Paso, Tex.

Fred Shepard Wins Award At Showing

Fred Shepard of Murray received the main print and drawing award for his plaster engraving, "Passage," at the 22th annual Mid-South art exhibition, now on display in the Brooks Memorial Art Gallery in Overton Park at Memphis, Tenn.

The show will continue through March. Eric May and Richard Huntington of Murray are represented by a charcoal drawing and an oil painting respectively at the Memphis show.

Mrs. Thomasson Dies Last Night

Mrs. Lorals M. Thomasson of 302 South Sixth Street passed away last night at 11:20 at her home. She was 89 years of age and a member of the Hickory Grove Church of Christ.

The deceased was the widow of the late Will Thomasson, formerly of the Alamo community who died February 20, 1963.

Survivors are one daughter, Mrs. Homer Geurin of Detroit, Mich.; one daughter-in-law, Mrs. Clay Thomasson of Sharpe, one son, Raymond Thomasson of Lexington, one sister, Mrs. Irma McBrath of Benton; two grandchildren, Mrs. Betty Riddle and James Lee Thomasson of Detroit, Mich.; four great grandchildren.

Funeral services are incomplete, but friends may call at the Black-Coleman Funeral Home.

Chandler State Headquarters Open

For the first time in Kentucky politics, a candidate for a statewide office has established his campaign headquarters in Lexington. This statement came from the headquarters of former Governor A. B. Chandler, an announced candidate for Governor in the May primary. J. B. Wells, General Chairman for the Chandler Campaign said that Lexington, being the crossroad of the state is the natural location for the general coordination of the race and therefore was the choice of Mr. Chandler.

The headquarters, which is located at 110 Esplanade, was officially opened this afternoon.

Motorcades organized by Chandler supporters will converge on Lexington from all directions, including large contingents from Northern and Eastern Kentucky. The highlight of the opening will be an address by the former Governor explaining part of his campaign program. All Kentuckians are invited and urged to attend.

Couple Is Married For Hundred Years

MOSCOW, U.S.S.R. — Amina and Bakakishi Ordoshem celebrated their 100th wedding anniversary Wednesday, according to the Soviet news agency Tass.

Amina praised her husband for his fidelity.

"He could have had several wives under the old law but I have been his only wife for 100 years," she told guests and newsmen at their anniversary party in the mountain village of Ikhyol.

She carried Bakakishi when she was 14, Tass said.

Her husband, tall, lean and quiet at 130, said, "It is a wonderful century that I have lived with my wife."

Amina, still quick and energetic, boasted their marriage must have been happy because "you can see for yourselves, all my daughters look older than I do."

Paris Nurse Dies In Burning Home

PARIS, Tenn. — Mrs. Mary Louie Berkey Wimbler, 44, died Wednesday in a fire at her home. Death was believed to have been caused by heat or smoke inhalation.

Firemen said they found the woman's body lying in a doorway a few steps from an outside door. Mrs. Wimbler, a Paris nurse, was dead on arrival at Henry County General Hospital.

Annual Spring Drive For Clothing Set

The annual spring clothing collection for Church World Service will be made during the last week of March according to announcement of Mrs. William Porter, president of the local council of United Church Women, the organization which sponsors the event.

Murray is one of the seventeen communities in the State of Kentucky which will be visited by the Church World Service truck in making the spring collection. The goal for Kentucky is set at 30,000 pounds. Last spring this goal was not achieved, the total collection in the State reaching only slightly over 30,000 pounds.

The women's organizations in the cooperating churches endeavor to supplement their gifts by sending ten cents per pound which helps to supply transportation costs to the ultimate destinations of shipments made to refugee areas around the world.

All clothing, both winter and summer garments, should be in a clean and usable condition, however, need not be pressed. Items especially needed are bedding and shoes. Clothing which cannot be sent includes high-heeled shoes, men's neckties, leather belts and evening dresses.

Local Churches are announcing plans for clothing to be brought during the week following Easter, from March 27 through March 31. The women from each church will then oversee the packing and labelling of that church's contribution. Participating are St. John's Episcopal Church, First Methodist Church, First Presbyterian Church, North Pleasant Grove Cumberland Presbyterian Church, and Goshen Methodist Church.

Interested contributors are asked to watch for designation of collection areas by the individual churches, according to announcement of Mrs. Charles Porter, local council chairman in charge of arrangements.

HEAVIEST

(Continued From Page One)

bringing the year's total to 6,357. This is almost twice the figure for the same period a year ago.

The Communist attack on a platoon of the U.S. 4th Infantry Division fighting in Operation Adams along the coast 240 miles north-east of Saigon came with lightning suddenness in what could be a renewal of previous Communist strategy.

The attack lasted only 32 minutes but before it was over the Communists killed 13 Americans and wounded 27. Three other members of the platoon, of perhaps 44 men were listed as missing in action.

Elsewhere in the war, U.S. Air Force B-52 Stratofortresses four times Wednesday night and today struck guerrilla bastions in support of American ground troops and U.S. warplanes flew 90 missions against North Vietnam Wednesday, U.S. Navy warships unloaded withering barrages at military targets on the North Vietnamese coast Wednesday.

The record American casualties for the week ending March 4 did not set a record for the number of troops killed. The mark of 240 slain the week ending Nov. 25, 1965, in the bloody Ia Drang Valley campaign, still stands. But last week's wounded total was a war record.

U.S. spokesmen said another four Americans were listed as missing last week. So far in the war 514 Americans have been reported "missing or detained." The term "detained" refers to pilots falling into North Vietnamese hands.

Communists Tell Rides

The spokesmen also reported that the record number of Communists slain the week before had risen, due to later reports, from 2,332 to 2,149.

The destruction of the 4th Infantry Division platoon came in Operation Adams, the division's first solo campaign. The platoon had been pressing into the long-time Viet Cong stronghold 18 miles northwest of the coastal city of Tuy Hoa. An unknown number of Communists, members of a "suicide squad," hurled themselves at the Americans who apparently were caught by surprise.

Some of the Communists heaved the satchels of explosives into the American ranks. Others tossed in hand grenades.

U.S. spokesmen also reported the dreaded bubonic plague has broken out at Cam Ranh Bay.

They said the outbreak now appearing under control, produced "about 40" cases of the deadly but relatively rare disease. Only one American, a U.S. Army stevedore now reported in "satisfac-

SEEN & HEARD

(Continued From Page One)

Old Dad and Mom take a real beating from such incidents.

To them he's still a little boy, but the Marines take a different viewpoint.

However it has been that way for ten thousand years. Or maybe a little longer.

The frogs are back out again. They dug down in the mud when that cold spell came up. There was a chorus to meet us as we left home this morning.

An Eastern Meadowlark split the morning air with his chirpy call somewhere along the road.

A whole covey of Blue Jays out in the back yard this morning. Seems as though they should be good for something. They are nice to look at, but beyond that they are not much count. We'll retract that statement. Blue Jays add quite a lot to the general confusion of Spring.

Sport brought in another Male. One only about two inches long.

We were watching Porter Wagoner and pretty Miss Norma Jean the other evening and Porter says of Speck "you're something else."

Now when "you're something else" that means that you are "a case", or something special, or extraordinary, one of a kind, etc.

Wondered where that mud on our shoulder came from this morning and then we remembered that Sport had greeted us last night. When he comes up all of a sudden to greet you, you've had it. When you see him coming from a far, that gives you the opportunity to stare, yelling about five minutes before he reaches you, to get down.

Now this yelling does not insure that he will stay off of you, but it does sort of help. Even then, however, he just can't resist throwing out that paw to give you a loving touch.

He greeted the wife the other day and tore a hole in her nose about 30 long.

What we need is some kind of secret passage to the interior of the house so we can bypass Sport.

He waits to see which door you are going in and heads for it and you have to fight your way through, avoiding the paw swipes, body blows and what have you.

Fellow crossed a pigeon with a hog and got bacon that brings itself home.

Funeral For Mrs. Annie Futrell Friday

Funeral services for Mrs. Annie Futrell of Murray Route Five are scheduled for 10:30 a.m. Friday at the J. H. Churchill Funeral Home chapel with Rev. Harold Lassiter and Rev. Jack Jones officiating. Burial will be in the Hicks Cemetery.

Palbearers will be Bert Collins, Anton Herndon, Leon Barrow, Richard Duke, Gene Barrow, and Wayne Mathis.

Mrs. Futrell died Wednesday at the Murray-Calloway County Hospital. She is survived by two daughters, Mrs. Darrell Mathis Murray Route Five and Mrs. Hubert Bell of Paducah, and three grandchildren.

Friends may call at the J. H. Churchill Funeral Home.

Lovins, Myrtle Wall, George Overbey, Louelle Steid, B. H. Crawford, Cecil Taylor.

Don Moore of the State Department, Frankfort, was present to observe the organization of the clinic.

CIO YES, CIA NO

CHICAGO — Charles Cogen, president of the American Federation of Teachers, said Monday his AFL-CIO affiliated union has never received any under-the-counter money from the Central Intelligence Agency.

Cogen asked the National Education Association to help the AFT in showing it has never received CIA funds. The NEA and other educational associations have been listed as recipients of CIA money.

Cogen said the "satisfactory" condition, was among the victims. But the other victims, all Vietnamese, died, they said.

DR. STEELY

(Continued From Page One)

of the sixteen man history department and teaches courses in American Diplomacy and American Cultural history. He also supervises a new Master of Arts in history program.

The Murray professor has had articles published in local history journals including reviews in the "Journal of Southern History", and is a contributor to the current edition of the "Encyclopedia Britannica".

Since coming to Murray Dr. Steely has done a great deal of public speaking for the University in this area and has guided two students tours to Europe in 1963 and 1965.

Prior to coming to Murray Dr. Steely taught history and served as chairman of the social sciences department at Blue Mountain College in Blue Mountain, Miss.

Dr. Steely received his elementary and secondary education at Hazel High School where he was valedictorian of his senior class. His chief extra-curricular interest

was public speaking and was state champion in his junior and senior years. He was awarded the alumni scholarship to Murray State College, but had to refuse due to his call in 1943 to the U.S. Navy. During most of his tour of duty he was in the ROTC program at the University of South Carolina where he graduated with an AB degree in 1947. While at South Carolina he was elected to Phi Beta Kappa.

The history teacher received his Master of Arts degree from the University of Kentucky in 1948 and served as graduate assistant to Dr. Thomas D. Clark of the University of Kentucky at Saltburg, Austria, Seminar in American studies.

The Hazel native earned his Ph.D. in 1956 from the University of Rochester with a fellowship in history where he was in residence from 1948-1961. His dissertation, "Antislavery in Kentucky" was written under the direction of Glyndon Van Deusen. He studied under Van Deusen, Dexter Perkins (diplomatic history), Arthur May, Willson Coates, Richard Wade, and John Christopher.

Dr. Steely is a member of the Baptist Church, the Democratic

party, and Rotary International. He is married to the former Iosetta Morris, daughter of Mr. and Mrs. Garnett Morris of Murray and they have two children, William Morris, age nine, and Lisa Elizabeth, age seven, students at the University School.

Mrs. Steely received her Bachelor of Science at Murray State and her Master of Science in home economics at the University of Kentucky. She has done part time teaching at Murray State University.

Dr. and Mrs. Steely just last year completed their new modern home on the Johnny Robertson Road just off the Lynn Grove Road.

Baby Contest To Be Sponsored By Club

The Dames Club of Murray State University plans their annual Baby Contest again this year with the deadline for entries set as March 23. The winner will be named on April 1.

Mrs. Barbara Gwaltney is president of the club and Mrs. Jack Zinga is the chairman in charge of the contest.

Gifts for the winners of the contest will be given by several local stores.

An entry blank for the contest may be found on an inside page of today's Ledger and Times.

WASHINGTON — Carl C. Davis, general counsel of the Federal Maritime Administration, told a House subcommittee Tuesday that the 21,000-ton U. S. Savannah had cost the government more than \$100 million since 1958. Even if used at 100 per cent of capacity it could not turn a profit, he said.

Savannah, which is to be laid up Aug. 20, cost \$3.3 million to operate during fiscal 1967. By comparison, a similar size conventional cargo ship would cost the government only \$900,000 in subsidies, he said.

Mrs. Lindsey Named President Of PEO Sisterhood Chapter

Chapter M of the P. E. O. Sisterhood held a luncheon meeting Saturday in Paducah in the home of Mrs. John Humphreys with Mrs. W. D. McCuskey assisting the hostess.

An honored guest was the Organizer of Kentucky State Chapter of the Sisterhood, Mrs. Marian Yeath from Louisville, making her official visit to the local Chapter.

Mrs. George Hart, retiring president, presided over the day's activities among which were the making of annual reports and the election of officers. First payment on a pledge to the national organization's Centennial Center Fund was approved.

New officers installed by the guests of honor were: President, Mrs. Alfred Lindsey; vice president, Mrs. H. B. Banks; recording secretary, Mrs. Howard Titworth; corresponding secretary, Mrs. Maurice Christopher; treasurer, Mrs. Howard Nummer; chaplain, Mrs. Robert Swisher; and guard, Mrs. Hugh Oakley.

Mrs. Lindsey and Mrs. Hart were named delegates to the meeting of State Convention which will be held in Lexington on May 2 and 3. Alternate delegates named were Mrs. Banks and Mrs. Henry McKenzie.

Members from Murray attending the Saturday meeting in Paducah were: Mesdames Christopher, Olga Freeman, Hart, Lindsey, McKenzie, Oakley, W. J. Pitman, Ralph Tessenor, Titworth, and Dr. Beverly Power.

The next meeting of the Chapter will be on March 16 in the home of Mrs. John Quatteremus.

Outland Home Scene Of Class Meeting

Mrs. Milburn Outland opened her home on Meadows for the meeting of the Nellie Outland Sunday School Class of Cherry Corner Baptist Church held Friday, March 3, at seven o'clock in the evening.

The inspiring devotion was presented by Mrs. Novice Ezell. Mrs. Onis Roberts, president, presided at the meeting and led in prayer. Mrs. Cassell Garrison is the class teacher.

During the social hour refreshments were served by Mrs. Outland, assisted by Mrs. Jesse McKinney.

Others attending were Mrs. A. Jones Farred, Mrs. James Garland, Mrs. Y. B. "Red" McRoy Roberts, Mrs. Ofus Outland, and Mrs. Perry Hendon.

Chiropractors Hold Dinner Meeting At The Ken-Bar Inn

Dr. F. M. Mayfield of Hardin was the speaker at the dinner meeting of the First District of the Kentucky Association of Chiropractors held Saturday evening at the Ken-Bar Inn.

The Hardin doctor was the featured speaker and demonstrated some recent developments in chiropractic technique during the educational program presented.

Plans were discussed by the Auxiliary for the State Board meeting to be held at Lexington Saturday.

Among those attending the meeting were Dr. and Mrs. Mayfield of Hardin, Dr. and Mrs. Bert Dwyer of Hazel, and Dr. Sarah Hargis of Murray.

Skits Presented At Murray Assembly Of Rainbow For Girls

Miss Sharon Norworthy, worthy advisor, presided at the meeting of Murray Assembly No. 19 Order of the Rainbow for Girls held Tuesday, March 7, at seven o'clock in the evening at the Masonic Hall.

The minutes were read by Miss Rosetta Robertson, recorder.

Those introduced and welcomed were Miss Rosetta Robertson, grand immortality, Miss Anita Flynn, grand representative to Colorado, Miss Joyce Winchester, grand representative to Vermont, and Miss Linda Dunn, past worthy advisor of Murray Assembly No. 19.

Miss Robertson and Miss Flynn are also past worthy advisors of the Murray Assembly.

Proceeding the meeting two skits were presented with Miss Anita Flynn and Miss Lynn Watson as captaining of the two teams. These skits were judged by Mrs. Nell Robbins, Miss Pam Garland, and William Moffett, and the skit winner will be announced at the next meeting.

Miss Betty Riley and Miss Donna Boyd were appointed team skit captains for skits to be presented later.

Members present were Wanda Todd, Fanchette Markovich, Sharon Norworthy, Rosetta Robertson, Lynn Watson, Fran Fair, Joyce Winchester, Betty Riley, Jayne Orten, Marilyn Lasater, Anita Flynn, Linda Dunn, and Donna Boyd.

Adults attending were Mrs. Frances Churchill, mother advisor, Mrs. Sue Flynn, Mrs. Nell Robbins, Mrs. Janice Nesbitt, Mrs. Eldene Robinson, George Wil-

Personals

Mrs. Garnett Morris spent last week in the home of her daughter, Mrs. George Fletcher and family of Nashville, Tenn. Mrs. Morris stayed with the Fletcher children, Gellie and George, while Mrs. Fletcher was conducting a Bible School Clinic in Jackson, Tenn. Rev. Fletcher who is with the Architect Division of the Southern Baptist Convention was also out of the city on business during the week.

What's New

A new hair coloring speeds up the process of becoming a blonde. The manufacturer says the product, a toner, combined with a shampoo can make light brown hair pass to blonde in less than an hour, instead of the usual hour and one-half. The toner is as easy to apply as a shampoo, taking from 10 to 30 minutes, depending on depth of tone desired. It's available for both home and professional use and comes in 12 blonde shades.

Now available are cotton and synthetic blend sheets and pillowcases which need no ironing. They're ready for bed-making when they come from the tumble-dryer. The items come in white, pastel and floral prints, and in sizes to fit any bed.

Items, and William Moffett. The next meeting will be held Tuesday, March 21, at seven p.m. at the Masonic Hall.

This is Easter!

All-Jersey Dairy Fresh Sour Cream

You're a gourmet cook the instant you use dairy-fresh sour cream! You should see how a spoonful of velvety-smooth, delicate tasting sour cream sparks up a traditional holiday pie. Then see how fresh sour cream brings a distinctive tang to casseroles... how it adds a new, cool and refreshing dimension to fruit salads. Clip these recipes and try them over these busy holidays! **INSTANT DRESSING FOR FRUIT SALAD:** Arrange your favorite fruits on lettuce and heap on sour cream... right from the carton. **SAUCE FOR VEGETABLES:** Sour cream changes these everyday vegetables into party spectaculars... perfect for broccoli, green beans, asparagus, peas.

2 tablespoons butter 1/2 teaspoon paprika
2 tablespoons minced onion 1/4 teaspoon salt
Dash of cayenne pepper 1/2 cups dairy milk
2 packages frozen broccoli, cooked just until tender 2 teaspoons sugar
1 cup chopped cauliflower 1/2 cup chopped cauliflower
1 teaspoon white vinegar 1/2 teaspoon paprika
In a small saucepan melt butter; add onion. Remove from heat and stir in sour cream, sugar, vinegar, paprika, salt and cayenne pepper. Arrange broccoli on heated platter and pour sour cream sauce over it. Sprinkle on cauliflower. If not to be served immediately, heat sour cream sauce just enough for serving temperature.

It's so easy to get in the gourmet habit. Keep it on hand!

DICK TRACY By Chester Gould

THAT SOME CRIPPLED CHILD MAY WALK

Walking to School Will Solve Problem
By Abigail Van Buren

DEAR ABBY: I am engaged to a girl who will graduate from college in June. I am a professional man. When she went home for Christmas vacation she had her self fitted for contact lenses. Abby, I liked her in glasses (I wear them, too) and I have never told her that I would like her better in contact lenses. I didn't even know she was interested in them.

For whom is she preening? Whom else, besides me, does she have to please? Why this sudden vanity? To top it off, her lenses have a violet hue, a la Elizabeth Taylor, and the girl I love has hazel eyes. Should I put her to the test and ask her to choose between me and the contacts?

ONLY HER FIANCE
DEAR ONLY: Perhaps she's pleasing only herself, which is her privilege. You should be familiar

enough with the girl you're about to marry to tell her you like her better in spectacles than in contacts. Having said it, drop it. If you insist on making this a matter of "choice" the lady needs neither glasses nor contacts to see the handwriting on the wall.

DEAR ABBY: About six months ago my boyfriend asked me to marry him. I turned him down for reasons I won't go into here.

Well, love has happened since then, and now I would like very much to marry him, but he hasn't asked me lately.

Is it ever all right for a girl to do this asking? What I mean is, how can I get him to ask to marry me again without coming right out and asking him?

READY NOW
DEAR READY: You might have to come right out and ask him. And if you want to marry him, and he hasn't asked you "lately," that might not be such a bad idea.

DEAR ABBY: We are eight retired housewives (retired our husbands are retired—yes, never do) and we have a common problem. We live in Clearwater, Florida, and have all received cards and letters from friends up north who write, "We plan to drop in for a visit this winter."

Nothing is said about WHEN they will drop in, or for how long. This is disturbing because since we have no idea when to expect them, or for how long, we can't make any plans of our own, or even accommodate others who have planned to visit us.

Please print this with your comment for the benefit of others who are similarly vexed.

CLEARWATER, FLA.
DEAR CLEARWATER: Unless you are running a resort and booking reservations, you should be ASKED if it is convenient to receive guests at a specific time for a specific number of days. Those who would descend on us with the kind of "notice" you describe should be given directions to the nearest motel.

CONFIDENTIAL TO "HAD IT" IN HILLSBOROUGH: Why do you feel that you must tell your neighbor in a "nice" way to keep her dogs off your property? Tell her in a respectful, but firm way that when she "walks" her dogs, to please keep walking until they are beyond your costly lawn and shrubbery. And let her know that if your plea is ignored, your next call will be the police department.

Troubled? Write to Abby, Box 69700, Los Angeles, Cal. 90069. For a personal reply, enclose a stamped, self-addressed envelope.

FORD WILL ROLL

DETROIT 8P — The Ford Motor Co. told its stockholders Monday it would go ahead with a \$1.5 billion two-year expansion plan, despite the recent sharp slump in auto sales.

A letter signed by board chairman Henry Ford II and president Arjay Miller said, "this is the strongest proof we can offer of our faith in the future growth of our nation's economy."

New Books Announced At Library

There is an exciting group of new books now available at The Murray-Calloway County Library. These books are printed in large type, for those of you who don't like small print or have trouble reading it. The titles are diversified to appeal to the many reading tastes.

THE NUN'S STORY by Kathryn Hulme tells the story of Sister Luke, a Belgian girl who turned aside from marriage to enter a famous nursing order.

THE DAUGHTER OF TIME by Josephine Tey is the story of a convalescing policeman's pursuit of the truth about Richard III and the tower murders.

TRAVELS WITH CHARLEY is the title of the delightful tale of St. John Stein-

beck's travels through forty states with his Frenchoodle named Charley, in a three quarter truck, with a miniature ship's cabin on the back.

A NIGHT TO REMEMBER is Walter Lord's account of the 1912 sinking of the unsinkable Titanic and the supreme crisis 2,307 people faced together.

Also available in large print: **THE RED BADGE OF COURAGE** by Stephen Crane.

THE ARIZONA CLAN by Zane Grey.

ETHAN FROME by Edith Whet-

LEJ IN D. C. — President Johnson was back at the White House today, refreshed from four days of relaxation and routine work at his Texas ranch.

Johnson and his wife returned early Tuesday aboard the Presidential jet, Air Force One.

No appointments were announced, but the President was expected to hold his usual Tuesday luncheon on.

STRONG PERSON by Dorothy L. Sayers.

PROFILES IN COURAGE by John F. Kennedy.

discussion of Vietnam and world developments with Secretary of State Dean Rusk and Defense Secretary Robert S. McNamara.

LEAKY BETTER
CHICAGO 8P — Dr. Louis S. D. Leakey, noted anthropologist, was reported resting well today in a Chicago hospital, recovering Tuesday at O'Hare International Airport.

Leakey was first believed to be the victim of a heart attack. The fatigue apparently resulted from the rigors of a speech-making tour which began on the West Coast.

we care

why should we guarantee other people's products?

If we didn't, we couldn't honestly say WE CARE. Could we?

You see, before any product is allowed on our shelves, we've checked it out pretty carefully.

We've checked the company that makes it.

We've checked to be sure the product is all the package says it is.

If you ever buy anything at A&P you're not happy with, you don't have to bother to write a letter to the company that made it. Just tell your A&P store manager. He'll give you your money back. We'll get in touch with that company for you...and for us.

That's A&P's guarantee.

No matter who makes it, if A&P sells it, A&P guarantees it.

Not every store can offer you a guarantee like that.

A&P can...and does. Shouldn't A&P be your store?

CLIP THESE SLIPS TO HELP YOU WIN

We have a few pictures from the January 21st hunt which have not been identified as yet. They shall be printed, if it takes a year. Three are Hickman County club members, and so far it has been impossible to get information on them. Please help!

Jack Bailey recently purchased a Redtick, Yogi, from Mr. Ollie Harris. Mr. Harris is a member of the Hickman club. We are acquainted with Yogi. He earned 3th place trophy for Mr. Harris during the January 21st hunt at the Twin Lakes Coonhunters Club.

A visit or call from any of Mr. Bailey's family would be greatly appreciated. We need information on his family and

Russian Women Get To Act Like Women On Ladies Day

By SCOTT B. BRUNS
United Press International
MOSCOW (UPI) — Today Russian women laid down their sickles and hammers, and for 24 hours became a weaker sex. It was Ladies Day in the Soviet Union.

The government told men to cook the meals and try to mind the children, to shovel the snow and run hospitals and do the work expected of Soviet women the other 364 days of the year.

The combination Mother's and Valentine's day is a legal holiday, the one day when a Russian woman's place is strictly in the home.

Husbands carried home candy, flowers and other gifts for their wives. Moscow television broadcast special programs for women. The Kremlin announced it adores Soviet women.

Women Started Trouble
"Builders of communism," it called them and reminded Russians that it was a women's march for bread that started the trouble in Petrograd formerly St. Petersburg, now Leningrad that led to the Bolshevik Revolution.

"You are resolutely against U.S. aggression in Vietnam," the Soviet Communist Party Central Committee said in a message to lady comrades.

They told the women they also are "against the attempts of imperialists to involve mankind in

the catastrophe of a new world war." The men of the central committee, which also has women members, said, "In the USSR the women have every opportunity to apply their energy and initiative."

Tough Jobs
In practice, this means it is women who go into the wintry streets before dawn to shovel off the snow and do many tough manual jobs that in other countries are considered male jobs.

Besides repairing roads, young cement, driving locomotives, Soviet women also provide most of the nation's doctors and many of its engineers.

A favorite item of the Soviet men—oil, too often cling to the "old fashioned" idea that women, besides working in the factories, must do all the housework. The result, they said, is that the women of Russia work seven days a week, 52 weeks a year — except on Ladies Day.

NOTES ROLLBACK
WASHINGTON (UPI) — Interior Secretary Stewart Udall says the rollback of some recent gasoline price increases indicates no immediate government contraction is necessary.

Udall said Friday he was encouraged by "the steady erosion" of the one-cent-a-gallon increases posted by some major companies in recent days.

hounds. Mrs. Bailey, would you call, please?

If Mr. Virgil Woods is listening, please give us the name of the Redtick hound you worked January 21st. We have the picture but not the name.

A special thanks to Norma York, Marsha Phillips and many other Twin Lakers who continually offer assistance with our transportation problem. All of the Twin Lakes ladies assist in identifying pictures, collecting names and information, along with handling the many other chores. Thank you girls!

Uh, oh! Another thank you, shamefully neglected by us. Ted Atkins' family provided transportation for us February 18. Gary and Sammy came after us, Gary and his friend David Gay brought us home. This was a very thoughtful gesture and we appreciate it.

Wanted: Mr. Kerry York and Mike in the office as soon

Roger Babson Dies Sunday At Age Of 92 In Florida

LAKE WALES, Fla. (UPI) — Roger W. Babson, business commentator and investment adviser, died Sunday at the age of 92.

Born and reared on a farm in Gloucester, Mass., Babson was graduated from Massachusetts Institute of Technology and became a nationally known economist. He gained prominence as an economic analyst by correctly forecasting the 1929 stock market crash.

He established Babson Institute at Wellesley, Mass., for the training of young men for the business of finance. Poor's publishing Co., the Publisher's Financial Bureau and several independent statistical organizations.

Babson died of apparent natural causes in the Florida town named for him—Babson Park, a suburb of Lake Wales. He and his wife established Weber College there. Babson authored and published a number of books and was a candidate for president on the Prohibition ticket in 1940.

TIME CONSCIOUS
WASHINGTON (UPI) — For a few moments at the Pentagon Friday, time stood still.

No, not for a red alert, but because contractors putting in new lights apparently broke a key electrical circuit, stopping 15,000 clocks at 5:39 p. m.

Officials said fortunately they could all be reset from one master control once the circuit was restored.

QUINN OKAY
ROME (UPI) — Actor Anthony Quinn, 51, today underwent "completely successful" surgery at a Rome clinic after suffering an attack of appendicitis, doctors said.

Quinn was taken ill at his villa near Pope Paul VI's summer residence at suburban Castelgandolfo.

SUN GAZER—Technicians give the OSO-E (for Orbiting Solar Observatory-E) a checkup at Cape Kennedy to ready it for the March 8 launch—into a 350-mile circular orbit with nine experiments to study the Sun. In orbit, it will become the OSO-III. Next, the OSO-D, which will become the OSO-IV. There is a series of eight to provide continuous observations during the 11-year solar cycle. The Sun is starting two years of top activity.

CATHOLICS AND JEWS pray together in downtown Madrid for the first time in Spain's history as the nation marks a new era of religious freedom. There were 700 Jews and Catholics at this service—in the Church of Santa Maria—marking the passing of the new law giving non-Catholics religious freedom. (Cablephoto)

Exhibition Games Start Today In Fla.

Major league baseball began the first step in its annual spring ritual today as the New York Yankees and Washington Senators kicked off the 1967 spring training exhibition season with a game at Pompano Beach, Fla.

The opener of the month-long Grapefruit League pitted the two teams that will open the American League season at Washington April 10. Exhibition action gets into full swing with six games slated for Friday and a full load of 10 games on tap for Saturday.

In Friday's Florida action Cincinnati meets Philadelphia at Clearwater, Houston plays Washington at Cocoa, World Champion Baltimore hosts Minnesota in a night game at Miami, the White Sox battle Boston at Sarasota and Kansas City faces Detroit at Bradenton. In the only Arizona clash the Cubs take on the Giants at Tucson.

The Pirates and five American League teams will play exhibition games outside the United States during a grapefruit league season that lasts until April 9, when the teams wind up with a full slate of activity.

Pittsburgh will face Baltimore at Ponce, P. R., on March 31 and April 1, and then play host to the Yankees the following day. The New Yorkers will battle the Red Sox at St. Thomas, Virgin Islands on March 31. The Twins and Athletics will clash in the remaining games outside the U. S. The two teams will play a four-game set March 16-19 at Caracas, Venezuela.

Two Pro Grid Leagues Make Agreement

NEW YORK (AP) — The National and American Football Leagues, agreeing to select only players who have completed their college football eligibility, announced Wednesday they will hold their first common draft beginning next Tuesday at New York's Gotham Hotel.

Twenty-five teams—16 in the NFL and nine in the AFL—will pick for 17 rounds, with 445 players expected to go in the draft. The order of selection is basically based on won-lost percentage of the combined 1966 standings of both leagues.

NFL Commissioner Pete Rozelle, who will head both leagues when the merger is completed in 1970, said the draft should run at least two days. The selection time for each team has been reduced from an hour to 15 minutes.

The draft, normally held in late November or early December, was delayed because of the so called "red shirt" draft of players whose class had graduated but had a year of eligibility remaining.

Vince Lombardi, coach of the Green Bay Packers and chief opponent of including red shirt choices in the regular draft had objected to the exclusion of the red shirts when the subject was brought up at the time of the merger last year and was voted down in the recent NFL meetings in Hawaii.

The New Orleans Saints, the newest NFL franchise, were awarded 20 extra selections, with Baltimore receiving the Saints' first choice in exchange for quarterback Gary Cuomo.

The New York Giants, whose 1-12 record was the worst in the NFL last season, had been given the option of choosing first, presumably for a quarterback, as a provision to the merger, but the Giants traded the privilege to Minnesota Tuesday for quarterback Fran Tarkenton.

Lakers, Lions Eliminated; Faith, Holland Lead Attack

By GALE GARRISON

The Calloway County Lakers and the Sedalia Lions were eliminated from the First Regional Tournament play last night, as the Jets from North Marshall defeated Calloway 49 to 44, and Hickman Co. won over Sedalia 70 to 61.

Calloway took the first lead at 2-0 on a field goal by Henry Armstrong. Steve Majors shot one from the line to tie the lead in the third quarter, after Calloway had held it for a short time.

Clayton Hargrove pumped in two straight field goals to take a 6 to 1 lead.

Junior Barrett and Barry Faith each hit a free throw, followed by two field goals by Mickey Holland to end the first quarter at North Marshall 7, Calloway County.

Armstrong tied the game and then sent Calloway out in front when he hit a pair of free throws with 7:01 left in the first half. Holland took the lead back by hitting both ends of a one plus, Ralph Sliger hit a field goal and the lead changed hands again. Holland hit another two pointer to take the lead back for North. David Cunningham tied it up from the line and Henry Armstrong sent Calloway out in front by two with a field goal.

Majors and Holland hit back to back field goals to push North out in front again. Hargrove hit a back et, and Stan Key hit two from the line, but Barrett tied it again with a field goal before the half, with Hargrove getting Calloway's and Holland getting North's, to end the half with a 19-19 tie.

North Marshall picked up the lead early in the third quarter, after Calloway had held it for a short time when Key hit a free throw, and led by as much as four points before the Lakers came back and tied it at 27 all with 2:22 left in the third quarter on two free throws by Key.

The Lakers came alive in the first part of the last stanza and scored eight straight points in the first two minutes and 35 seconds of the period, and took a 37 to 30 lead. But the Jets hit the comeback trail and closed the gap until it was tied at 38 all with 2:43 left in the game. Faith then hit a two pointer to put North out in the lead that they never lost, with their biggest lead being the one at the end of the game of five points.

The big difference in the game

came at the free throw line as the Lakers hit only 56.1 per cent of theirs while North hit 76.0 per cent of theirs. Calloway had 31 chances at the line and hit 18 while North went to the line 25 times and hit 19 of them.

Both teams hit very poor from the field with Calloway hitting 13 of 42 for 31.0 per cent of their field goals while North hit 15 of 42 for 35.7 percent of their field goals.

Calloway had three boys in double figures with Stan Key leading the way with 12. Henry Armstrong had 11 and Ralph Sliger added 10.

Mickey Holland had 16 for North to lead all scorers. Junior Barrett led 14 and Barry Faith had 12.

In the nightcap Hickman County took a 12-7 lead at the first quarter after the lead had changed hands three times and the score had been tied once.

The Falcons seemed to be on the way to an easy win in the second quarter as they built onto their lead and led by 13 points, 31 to 18 at the half time intermission.

Hickman continued to add to their lead in the third stanza until they led by 21 points with 2:22 left in the quarter, at 47 to 26. Then to the surprise of everyone in the gym, Sedalia turned on and held Hickman scoreless for three minutes and 35 seconds while the Lions were scoring 16 points and had cut the lead to only five points at 47 to 42 with 5:49 left in the game.

The Falcons settled down and

managed to stay with the Lions for the remainder of the game. They led by as much as nine points and Sedalia got to within four points of them at one time.

The Lions hit 21 of 58 from the field for 36.2 per cent and 19 of 28 from the line for 73.1 percent. Hickman hit 29 of 65 from the field for 44.6 per cent and 12 of 27 for 44.4 percent from the line.

Hickman pulled in 53 rebounds to Sedalia 29, with Joe Barclay getting 25. Joe was also the leading scorer getting 40 of his teams points. Shelly Barclay was the only other Hickman player in double figures with 10.

Sedalia had three players in double figures, led by John Ben Riley with 23. Marshall Galloway had 13, and Terry Fulcher had 11.

Carlisle County will take on Heath tonight in the first game and Paden-Tishman will meet Lenoir in the second game.

North Marshall — 7 39 30—49

TRADE MARK

Now corn growers can get up to 10
extra bushels per acre in yield

Plow down Southern States Fertilizer Now

It makes sense. By plowing down your Southern States Fertilizer now, you get the jump on things. You give your fertilizer a chance to work down deep. That's where the moisture is. That's where corn roots make best use of plant nutrients, especially during dry years. Result: You come out bushels ahead. College research has proven the advantages of early plow-down on most soil types. Prove it to yourself now.
